

## DIUN PLANT HANGER

### COSMO COLLECTION

MODERN WALL PLANT HANGER

project : IZABELA SEREJ

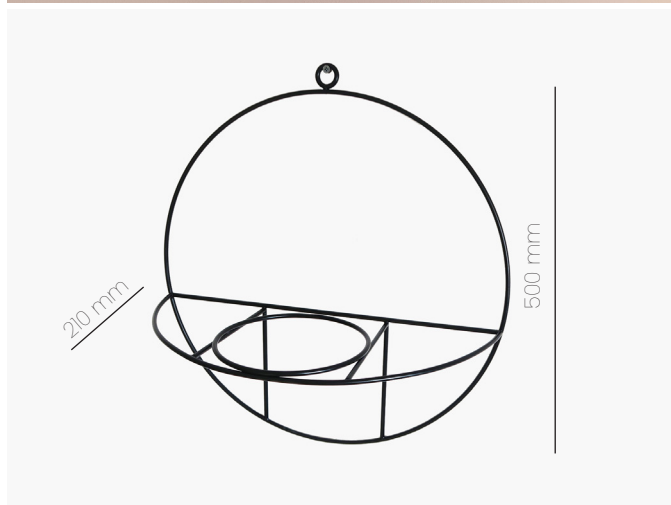

The DIUN wall plant hanger is a pure form referring to the roundness of celestial bodies. It was created for the largest plant specimens in the home and office jungle. Thanks to matching the casings 19-20 cm, the hanging plant hanger DIUN perfectly exposes the beauty of even the oldest and largest plants from the green collection. Diun is also an exceptionally aesthetic accent in any interior.
