

MILO PLANT STAND

BONBON COLLECTION

MODERN PLANT STAND

project : IZABELA SEREJ
SZYMON SEREJ

The MILO plant stand was created with the largest plants in mind powering both home and office jungles. When your overgrown arecas, banana trees or dracaenas no longer fit on windowsill, take up too much space on the floor, or require a perfect setting - the MILO planter will help you organize them in a beautiful and functional way.

Details:

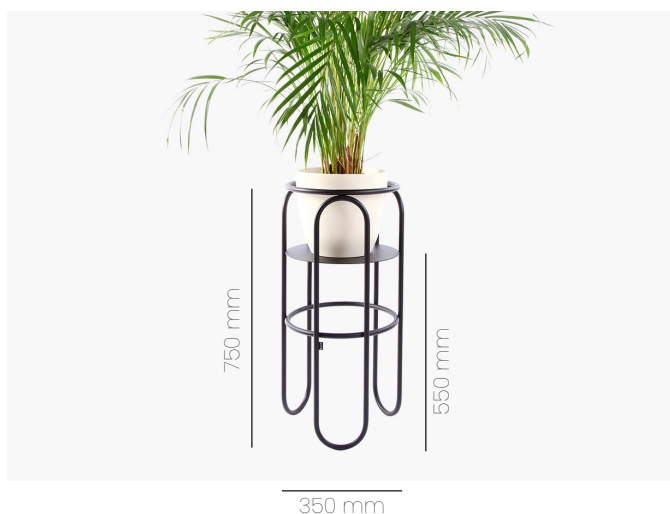

- made of steel
- the ability to choose any color from the RAL palette
- it is possible to customize the planter to the given dimensions
- possibility of preparation for external use
- delivery time 3-4 weeks
