

TILLO PLANT STAND

TILLO

MODERN PLANT STAND

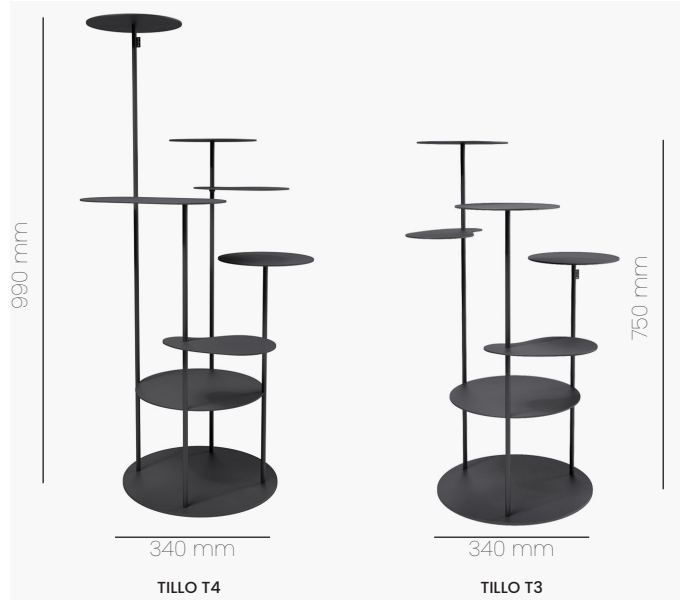

project : IZABELA SEREJ

The Tillo collection of planters has been designed to allow the presentation of more plants on one place. Different heights of the saucers allow full exposure of all plants, while the movable wings allow for their individual arrangement. This standing floor plant stand has been awarded many times, not only for its design, but also for its usability, quality and excellent workmanship.

Details:

- made of steel
- the ability to choose any color from the RAL palette
- it is possible to customize the planters to the given dimensions
- Tillo T4 can hold up to 8 plants, T3 up to 7 plants
